

Information for Authors

Manuscript Submission. Papers are submitted for publication by sending three hard (printed) copies to *The Journal of Geometric Analysis*, Department of Mathematics, Washington University, Campus Box 1146, St. Louis, Missouri 63130-4899, USA or to one of the editors listed on the inside front cover. [Do not send a computer disk with the initial submission.] With the manuscript, please include a brief abstract indicating the subject of the paper and its main results. Also send a list of key words and Mathematical Reviews Classification numbers. Submission of a paper represents that the paper has not been submitted elsewhere. Standard copyright assignments will be made by authors.

Manuscript Style. Papers should be typed or printed on one side of the page, double spaced, and have pages that are numbered consecutively. *Papers prepared in some form of $\mathcal{T}_E\mathcal{X}$ or other electronic media are strongly encouraged.*

References. References should be double spaced and arranged in alphabetical order at the end of the paper.

Figures. Authors are responsible for providing figures (if any) of suitable quality for reproduction. Each figure should be on a separate page in dense black ink on stiff white paper.

Reprints. There are no page charges. Authors jointly will receive 50 free offprints. Additional offprints may be ordered prior to publication.

Further details on these matters may be obtained by writing to the editorial office in St. Louis, MO:
